ADHENZ M. MIRANDA, CCI

Content Creator | Photographer | Videographer

UAE-based Content Creator, Photographer and Videographer with a BSc in Creative Computing and hands-on experience across Dubai real estate and property inspection content. I handle content end to end, from planning and scripting to filming, photography, editing and graphic design, with my Dax & Bax Properties content reaching 500k+ total views and my Monarch Hill and Inspecto Handover content reaching 350k+ combined. Strong on short-form for Instagram and TikTok, and used to working fast across listings, developer events and live sites.

EXPERIENCE

Content Creator | Photographer | Videographer
Monarch Hill Real Estate & Inspecto Handover | Business Bay, Dubai, UAE | August 2026 - November 2026

- Filmed 60+ shoots across listings, developer properties and snagging inspections as filming lead, and edited 30+ short-form videos for Instagram and TikTok, with Monarch Hill videos selected for paid ad campaigns
- Filmed content across Monarch Hill and Inspecto Handover reaching 350k+ combined views
- Redesigned carousel and story graphics, produced the carousels, thumbnails and a branding presentation, and photographed properties and inspections for both company websites
- Managed TikTok, launched the company LinkedIn page, and improved Google review presence by optimising listing details and timing review requests
- Set up the company's first direct approval channel with leadership for content requests, updates and sign-off

Content Creator | Videographer
Dax & Bax Properties | Business Bay, Dubai, UAE | February 2026 - June 2026

- Conceptualized, shot, and edited 80 to 100+ brand and social videos across short-form and reel formats for Instagram and TikTok, from brief to final delivery.
- Achieved 400k+ views and 15k+ engagement on flagship content, outperforming previous benchmarks
- Directed and collaborated with 7 property consultants across Bengali, Nepali, Hindi, English, and Arabic-speaking backgrounds, managing full production cycles from pre-shoot planning to final delivery
- Shot on-location across developer showrooms, exhibition events, and live properties using a Sony ZV-E10 mirrorless camera, maintaining composition, lighting, and brand consistency across varied environments
- Edited in Adobe Premiere Pro and CapCut with colour grading, caption animation, QR code integration, and pacing optimised for short-form platforms
- Built 3 operational systems from scratch including a marketing calendar, content pipeline tracker, and scriptwriting agent, streamlining team-wide production workflows

Digital Marketing and Admin Support
Optimal Consulting and Research Center & Optimal Education Center | Deira, Dubai, UAE | September 2024 - March 2026

- Awarded Best Oral & Visual Presentation in the "1st International Interdisciplinary Research Summit" for ability to simplify complex concepts through visual storytelling
- Achieved 624% average social media growth and 400K+ views across LinkedIn, Facebook, Instagram, and TikTok
- Created educational conference promotional content and testimonial videos, translating technical research into accessible visual formats
- Designed 100+ presentations for academic and business audiences, emphasizing clarity and structured information design
- Managed multi-platform content strategy with analytics-driven optimization for maximum engagement and reach

ADHENZ M. MIRANDA, CCI

Content Creator | Photographer | Videographer

Dear Hiring Team,

Thank you for taking the time to meet with me. I'm a content creator, photographer and videographer working in UAE real estate, with my videos reaching 500k+ views at Dax & Bax Properties and inspection videos I filmed reaching 300k+ views at Inspecto Handover.

Real Estate Content Experience
At Monarch Hill Real Estate and Inspecto Handover I filmed 60+ shoots across listings, developer properties and snagging inspections, and edited 30+ short-form videos, with Monarch Hill picking my videos for its paid ad campaigns. At Dax & Bax Properties I produced 80 to 100+ videos, including developer briefings and launches, working with 7 property consultants from planning to final delivery.

Filming, Photography and Post
I shoot on mirrorless cameras and handle my own composition and lighting. I edit in Premiere Pro for longer pieces and Edits by Instagram for short-form, and design carousels, story graphics and thumbnails in Photoshop, Figma and Canva. I photographed properties and inspections for both the Monarch Hill and Inspecto Handover websites, and can turn around 3+ videos a day.

How I Work
I like a clear process, so I build one. At Dax & Bax I set up a content calendar, production tracker and scriptwriting agent, and at Monarch Hill I set up a direct approval channel with leadership.

I'd love to bring this experience to your team, covering projects from launch through to handover, and I'm happy to walk you through any of my work in person.
